

### Initial stage

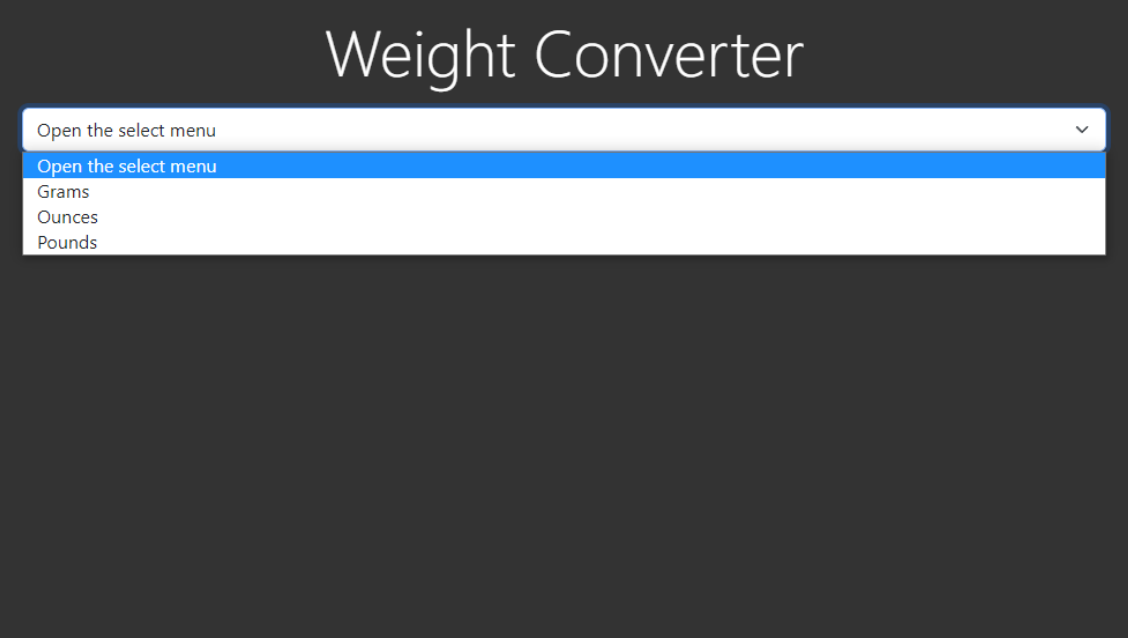

Weight Converter

Open the select menu

This image shows the initial stage of a web application. It features a dark gray background with the title "Weight Converter" in a large, white, sans-serif font at the top center. Below the title is a single white rectangular input field with the placeholder text "Open the select menu" and a small downward-pointing chevron icon on the right side.

### Select your measure

Weight Converter

Open the select menu

Open the select menu

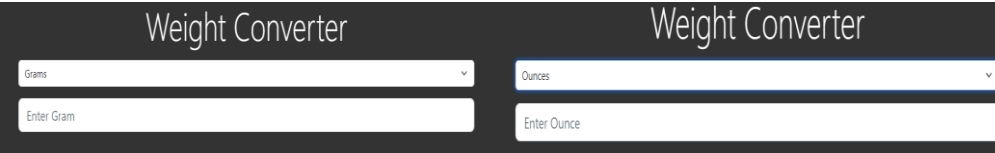

Grams

Ounces

Pounds

This image shows the next stage of the application. The dropdown menu is now open, displaying a list of options: "Open the select menu" (highlighted with a blue background), "Grams", "Ounces", and "Pounds". The rest of the interface remains the same as in the initial stage.

### Placeholder modified

Weight Converter

Grams

Enter Gram

Weight Converter

Ounces

Enter Ounce

This image shows the final stage of the application. The interface is split into two columns. The left column has the title "Weight Converter" at the top, followed by a dropdown menu showing "Grams" and a text input field with the placeholder "Enter Gram". The right column has the title "Weight Converter" at the top, followed by a dropdown menu showing "Ounces" and a text input field with the placeholder "Enter Ounce".
